Booths and Signs – Use of Space

Each booth will be 10 feet wide and 10 feet deep unless otherwise noted. The back wall drape will be 8-feet in height. Booths will be divided by a 3-foot high divisional rail extending from the front to the rear of the booth. Exhibitors may arrange their exhibits as desired, but the arrangement must not interfere with the light or space of other exhibitors and be in keeping with the general exhibit plan as outlined on these pages, preserving the open booth appearance.

No exhibit construction over 60 inches in height will be permitted in the front one-half of the booth without prior written approval from the Gulf Coast Food & Fuel Expo® Staff and from exhibitors in the neighboring booths. Should it be necessary for an exhibit to extend above the 8 feet back wall, permission must be obtained in writing from the Gulf Coast Food & Fuel Expo® Staff.

Exhibitors in the premium corner booths or end caps have special set-up requirements, which must be met in order to maintain the line of site down the aisle. End cap booths have a back wall that is 20 feet wide. The center 10 feet of that wall may contain a display that is 8 feet in height. Exhibitors in end cap booths must finish the back portion of their space so it will not be objectionable to the adjacent exhibitors. The Gulf Coast Food & Fuel Expo® reserves the right to have such finishing done and bill the exhibitor for charges incurred.

No exhibitor may permit the solicitation of business by others within his space. No exhibitor may provide trade show access or name badges to persons not directly related to the exhibiting company.

Interviews, demonstrations, distribution of literature, samples and detailing should take place inside booths in order to avoid infringement of the rights and privileges of other exhibitors.

Characters of exhibits are subject to approval by the Gulf Coast Food & Fuel Expo® Manager. The right is reserved to refuse applications if there are concerns that the required or expected standards are not met, as well as the right to curtail exhibits or parts of exhibits which reflect against the character of the Gulf Coast Food & Fuel Expo®. This applies to displays, literature, advertising, novelties, souvenirs, conduct of exhibit personnel, etc.
